You are invited to the first...

Montgomery County

STEM SUMMIT!

Sunday, February 26, 2017 ● Silver Spring Civic Center
12:30pm - 1pm: Networking and STEM Demonstrations
(lunch is not provided, light refreshments will be served)
1pm - 4pm: Panels and Discussion
MCPS Superintendent Jack Smith to speak at 1:15pm

Build the MoCo STEM community by attending this free event for educators from pre-K to college, business leaders and employers, County Councilmembers, county government leaders and service providers, industry practitioners, interested parents and students. **We are showcasing best practices, laying out a vision and asking for input on an effective STEM engagement strategy for Montgomery County.**

RSVP: https://mocostemsummit.eventbrite.com
Agenda: http://councilmemberriemer.com/stem
